Dear «first_name»,

I am sure you have heard from the Clerk to the County Commissioners that you have been appointed to the Agricultural Advisory Board for Lee County. The primary purpose of this board is to implement the provisions of the Lee County Voluntary Agricultural District Ordinance adopted by the Lee County Commissioners on September 15, 2008.

Ryan Faulk with Lee County Soil and Water and myself look forward to working with you on the Agriculture Advisory Board. The board meets four (4) times a year on the third Wednesday of the month at 4:00 pm in the FCS Lab at the McSwain Extension Education and Agriculture Center, 2420 Tramway Road, Sanford. You will be notified by e-mail of the upcoming meetings. At your first meeting, you will receive a notebook with information about the Agriculture Advisory Board. To prepare you for your first meeting I have enclosed a copy of the Ordinance for your review.

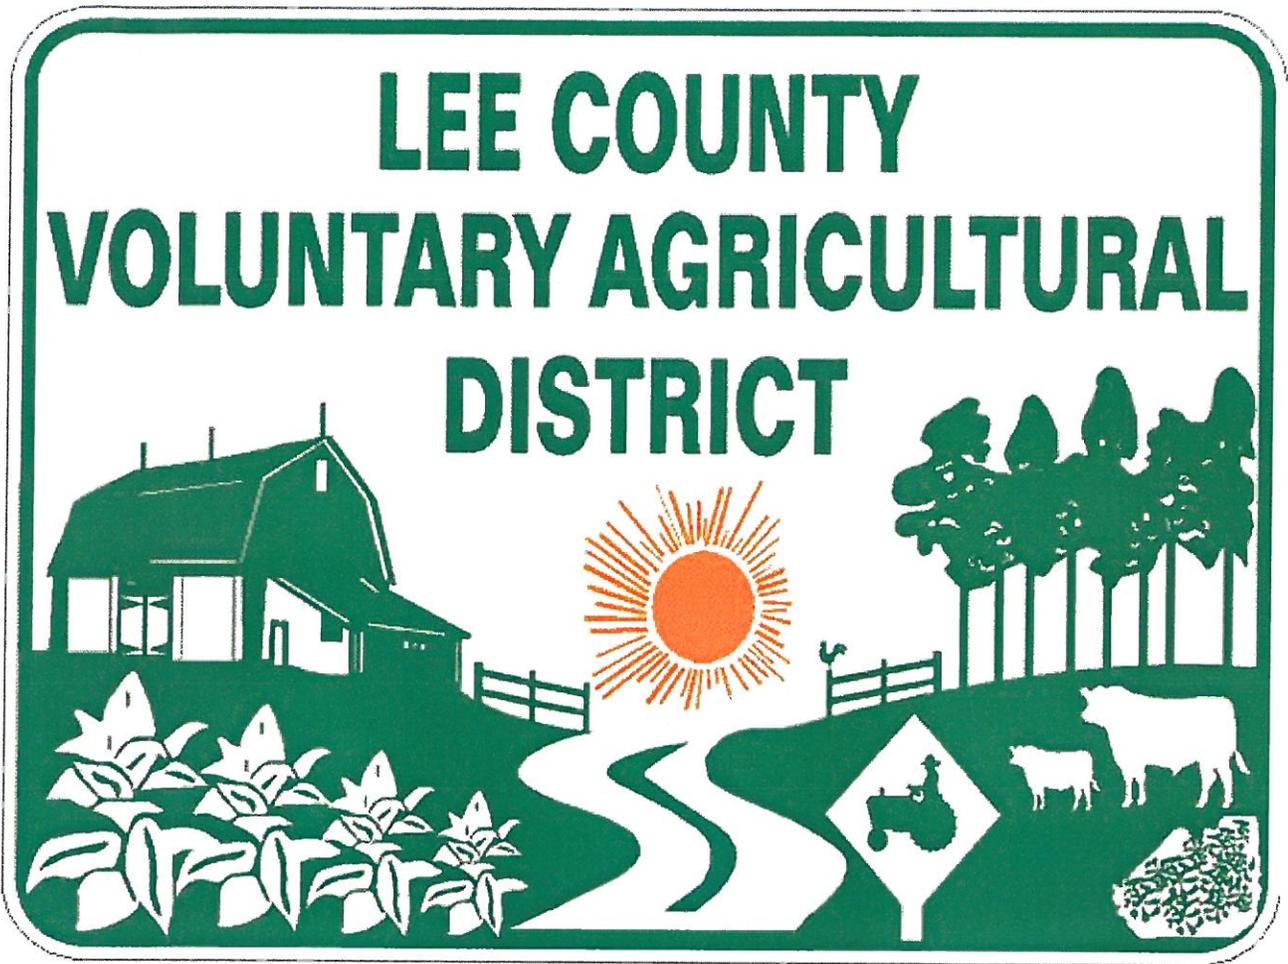

We look forward to working with you on the Agriculture Advisory Board. Please feel free to contact Ryan Faulk (919-776-2633) or myself (919-775-5624) if you have any questions or if you are unable to attend the meeting.

Sincerely,

Stephen Greer
Interim County Extension Director
