The County of Lee continues to place customer service high on its priority list. In an effort to improve services for Lee County veterans, the Veterans Services Department will join Lee County Senior Services. Effective Monday, June 19, 2006, Doug Williams, Veteran Services Officer will become a part of the Senior Services staff. The Veteran Services office will be housed in the Enrichment Center located at 1615 South Third Street in Sanford.

Debbie Davidson, Director of Senior Services, is pleased to have Veterans Services become a part of the Enrichment Center operation. "What better way to serve our veterans than by offering additional services such as fitness, nutrition, transportation, computer lab and other programs housed in the same facility", Davidson said. "This move will open up new doors for our veterans."

Many veterans will be able to enhance their overall wellness through the center's fitness programs. To better serve the growing baby boomer population, anyone age 42 – 49 may now use the Enrichment Center fitness room after 12:00 noon Monday through Friday. Full hours are available to anyone over the age of 50. Many veterans are in this age bracket. For more information on Enrichment Center services call 919-776-0501.

Veterans Services hours are 8:30 am – 12:30 pm Monday through Friday. Doug Williams may be reached by calling 919-776-0501 extension 209.
